## GOODS & ORNAMENTS REPORT FOR THE CALENDAR YEAR 2019

In the calendar year 2019 there were no acquisitions or disposals. The Arts Society have brought 6 volunteers on site weekly to complete a Church Records Project in order to create a Terrier for future generations. This was halted by Covid 19 but I hope they will be able to return at some point to complete this project. We are hoping to get a new set of photographs of our silver as the ones done at the turn of the decade were accidentally disposed of during the clearing of the flat of a former Churchwarden by his solicitors. We are also planning to purchase new Altar cloths as the one remaining is clearly showing its age. It was bought in 2004. A donation has also been received which will enable us to improve the Credence Table glassware. The Reverend Prebendary Jeremy Crossley 1st February 2019
